Dear Will,

Just a few days ago this great old Opera House was filled with the spirit and enormous talent of the not-to-be-forgotten Saline Fiddlers. What an amazing group of young people and what fine ambassadors representing the great town of Saline! In the hours and days since the tour bus pulled out of town I have had countless numbers of local residents and visitors tell me how much they enjoyed the show. In a season of Grammy award winning performers being on stage at the Opera House the Fiddlers were my favorite, bar none.

I hope that the rest of your overland journey was filled with great performances and some much deserved down time. While I know it may be several years, we look forward to the group's return to this part of the country. The Opera House will welcome you and the Fiddlers back anytime! In the meantime, we will keep a watch on you from afar. It was a rare treat to have you all in our midst.

All the best from all your new friends and admirers in Boothbay Harbor,

Warm regards,

Cathy Sherrill
Managing Director
