Dear friends,

The Saline Fiddlers put on a really extraordinary show on Sunday, December 19, 2010 at St. John Armenian Church. It exceeded all of our expectations and was very well received by our parishioners in attendance.

One of our parishioners, Mr. Edward S. Papelian, recommended we bring your group to St. John's for a concert after he had seen the group at Fox Run in Novi, where he is a resident. Mr. Papelian had such positive feelings about the group that he made a generous donation to the church to cover the cost of the performance.

We are happy to have had the experience of hearing and seeing this vibrant and spirited group of performers, and we wish you continued success in all your endeavors.

Best wishes for a perfect holiday season,
